ON-SITE AT THE EVENT

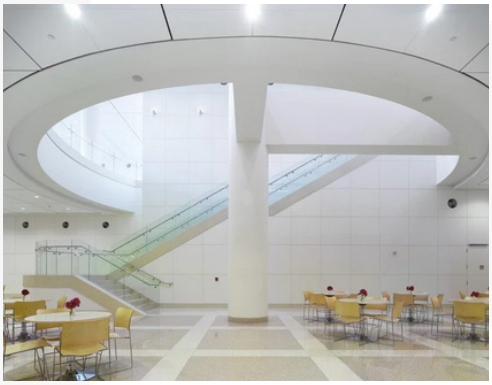

A reminder to bring any supportive or sensory tools you may need.

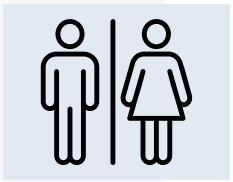

Note: Headphones will not be provided.

On arrival, look for NEXT for AUTISM staff to assist you with signing at check-in. The check-in desk will be placed in front of the auditorium doors that guest walk into for the panel.

At check-in, you will receive a name tag, with an option to designate your comfort level of socialization (color-coded stickers will indicate this).

Restrooms can be located behind the registration desk upon entering.

Coffee and small bites will be available in the lobby, outside the auditorium. This is where you will also find our grantee partner tables, and where guests can mingle before/after the panel.

During the event, the moderator and panelists will be located at the front a room similar to this.

If you need assistance at any time, please talk to someone at the registration desk or look for someone with a NEXT for AUTISM badge.

Thank you for coming!

REMINDER: The event will be photographed and videotaped.
