Organization Name:

Date:

Topic:

Lesson Focus:

Participants:

Associated Goal:

Independence

Social Skills

Communication

Learning Objective: (provide at least one)

Completion will be measured by: (provide at least one)

1.

1.

2.

2.

3.

3.

4.

4.

Materials

*What items are needed for lesson?
Make sure each participants abilities
and support needs are considered.*

Instruction

*Provide a short and clear explanation
of the targeted skill being taught.
Break it down into small steps,
explaining the actions needed for
each.*

Step 1:

Step 2:

Step 3:

Step 4:

Step 5:

Modeling/Rehearsal

*Demonstrate the skill being taught.
You may need to use hand over
hand, and repetition is key. Each
participant will practice the skill.
How will you keep each participant
engaged during the lesson?.*

Feedback

*Provide feedback and reinforcement
for achievement of skill completion.*

What did I learn about the students' mastery of the learning objectives? What modifications, if any, will make the lesson more effective?
